

# Military

The Military category is for those who have chosen to depict themselves as an officer or enlisted man, soldier or sailor of the French and Indian War, Revolutionary War, War of 1812, Texas Revolution, Mexican American War, or other battles fought within our time period (1740-1840). Any military uniform between 1740 and 1840 will be judged using this form. Due to the diversity of the outfits that can be presented in this contest, it is important to note that providing documentation to the judges will impact the final score of your outfit.

Read through each category – Write in the type of item that you will be judged on in the space provided, then check off each point designation you have earned. Add up your total points for each category. Add up the total points for the entire sheet, and then bring your judging form and all costume items to judges for final approval and possible bonus points.
