

# Frontier Trek Gear List

A Frontier Trek is when you back pack all your gear in on your back. You usually will hike into the area on foot. Your gear should be as authentic as possible. Pre 1840 era. This includes your food, bed roll and primitive shelter. Following are some guidelines for your equipment, but your own research on your persona will be the best guide.

## CLOTHING

1. Leggings and breech cloth
2. Leather pants - the less fringe the better
3. Drop front cloth pants
4. Knee breeches
5. Calico or linen shirts
6. Hunting frock
7. Moccasins: center seam, puffy seam, etc.
8. Hat: felt, wide brim; voyagers; silk or linen scarf; fur hat or tricorn.
